- Personality Development Program-GD/PI/WAT.
- Specially Designed General Knowledge and Current Affairs Module

Prepare for CAT through and through with us & get into top management college.

• **WHAT IS MBA**

The Master of Business Administration (MBA) is a prestigious postgraduate qualification that provides an overview of key business practices and is highly valued by top employers. MBA Degree leads to great career in business, where one has the ability to bring about a positive change. The current business environment is dynamic and complex. Lack of information and expertise makes it even more challenging. In such a scenario, an

MBA degree is a valuable asset, as it brings a global perspective, sensitivity to cultural diversity, and an ability to decipher and solve complex business problems. Successfully completing an MBA can lead to a better salary, improved professional reputation and a massively expanded network of business contacts. So, if you're a graduate with ambitions for a high-flying executive career, an MBA could be just what you need.

Why MBA

THERE ARE 5 PROMINENT REASONS FOR DOING AN MBA

Better Job Opportunities (sector-independent Career)

- Sector, based on personal choice
- Sector, based on growth potential
- Prepares one for an entrepreneurial career

Faster Career Growth (Financially rewarding)

- Higher initial salary
- Faster growth in salaries
- Greater responsibilities at work

Fast Track Career

- Merit-based growth track
- Become a GM by 30, VP by 35 and CEO by 45

Great Corporate Network (personal Satisfaction)

- Helps in both personal and professional growth
- Network effects kick-in within a few years as batchmates secure - top positions in the industry

Peer-to-Peer Learning

- Business world exposure through group projects
- Benefit from academic diversity in the batchmates

| Career Growth

- Removes the entry barriers
- Career Transformation
- Better pay package
- High demand for an MBA
- Subject specialization
- Networking opportunities
- Entrepreneur abilities
- Development of knowledge
- Managerial skills
- Overall personality development
- Boosts confidence
- Establishes credibility
- Brand building
- The flexibility of the program
- Global credentials
- Opportunity to move to a new place
- Long term investment

The CAT exam is also known as the Common Admission Test. The exam is mandatory for admission to 20 IIMs and over 1,200 B-schools in India. Besides IIMs, you can get access to several prestigious colleges, including S.P Jain Institute of Management and Research (SPJIMR), Faculty of Management Studies (FMS), Management Development Institute (Gurgaon), Institute of Management Technology (IMT), Jamnalal Bajaj Institute of Management Studies (JBIMS), International Management Institute (IMI), National Institute of Industrial Engineering (NITIE), etc. To know more about the exam, you can connect with experts that offer the best online coaching for CAT.
